

## **DERBIES OF DAKOTA**

### **2016 Herby Car Rules**

1. Wheel base 108" or less, no full frame cars.
2. Can run any four (4) or six (6) cylinder engine.
3. Fuel tank may not be homemade tank. Call before you run if it is a fuel injected car there will be no second guesses, you WILL NOT run if it has a carbureted motor; tank may be homemade like full size cars.
4. For the rest of your build, use full size weld car rules.
5. You can run sliders, rear ends and full size bumpers.
